VICENTE GONZALEZ VOTED AGAINST BILL BANNING FEDERAL FUNDS FOR CHILD SEX CHANGES

San Benito, TX – The Eric Flores for Congress campaign today criticized Congressman Vicente Gonzalez for voting against legislation that would have barred taxpayer funding of sex changes for children.

On May 22, 2025, Gonzalez voted no on H.R. 1, which included the ban. His vote contradicts what he has told voters: that he has "never supported tax dollars paying for gender transition surgeries and never will."

"As usual, Vicente Gonzalez says one thing to voters and does another in Washington," said Eric Flores. "He told his constituents that he opposes taxpayer-funded gender transition surgeries, then voted against a bill that would have banned them. That isn't representation. The people of South Texas overwhelmingly reject sex changes for children. South Texas and the Coastal Bend deserve a congressman whose votes match his words. In November, they'll have that choice."

Early voting for the November 3 general election begins October 19. Eric Flores is urging voters across Texas's 34th Congressional District to review Vicente Gonzalez's dismal record and make a plan to vote.
