Vicente Gonzalez Silent as His BFF Jasmine Crockett Enters Senate Race

San Benito, TX - Following news that radical socialist Jasmine Crockett has entered the race for U.S. Senate, Eric Flores, a former Assistant US Attorney, former Army Infantry Captain, and Republican candidate for Texas' 34th Congressional District, released the following statement calling out Congressman Vicente Gonzalez for his refusal to disavow her candidacy. No surprise, given Vicente votes with Jasmine Crockett **9 out of 10 times**.

"Vicente Gonzalez has been pulling off a political charade in South Texas for almost a decade!" said Eric Flores. ***"He pretends to be a moderate here at home, but in Washington he votes with Jasmine Crockett nearly 90% of the time, the same radical who smears Border Patrol as 'slave patrols,' vows to destroy Texas oil and gas jobs, and spews unhinged threats of violence at anyone who challenges her."***

Flores continued, *"Let's call this what it is: Vicente Gonzalez isn't representing South Texas, he's a puppet to the radical left like Jasmine Crockett. If he disagrees, he can say so. But he won't. Because he can't. Instead of disavowing her campaign, he will deflect from answering the question by resorting to elementary attacks on social media."*

"South Texas deserves answers. Does Vicente Gonzalez endorse Crockett's extremist agenda? Does he stand by her attacks on Border Patrol? Does he support killing our energy jobs? Or is he just too scared to break ranks with the radical left? The people deserve the truth and Vicente Gonzalez has been hiding from it for far too long!"

Crockett's extreme positions that Gonzalez will now be forced to defend include:

- Open Borders: Crockett insists it's **"not a crime"** to cross the border illegally and called ICE **"modern day slave patrols."**
- Anti-Police: Crockett said law enforcement **shouldn't prevent any crime** and supports efforts to **defund local law enforcement**.

- Targeting Law Enforcement: Crockett supports **radical legislation** that police unions warn would cause a **mass exodus of Texas police officers**.
- Discriminatory Taxation: Crockett has called for reparations and suggested that **only Americans of a certain skin color should pay income taxes**.
- Cancelling Your Health Care: Crockett supports **abolishing private insurance** and kicking nearly every American family off their existing health insurance plans.
- Killing Texas Jobs: Crockett supports **ending fossil fuels**, which could destroy jobs for **492,000 Texans** and could result in as much as **\$27.3 billion in cuts** to Texas public schools, universities, and road infrastructure.
- Political Violence: Crockett has repeatedly called for political violence against her opponents (see [here](#), just to start).

When will Vicente Gonzalez find the courage to say enough is enough?!
